

La Habra Girls Softball Association 2010 Season Team Sponsor Form

Dear Prospective Sponsor:

LHGSA needs your help and is offering a great opportunity for you and/or your business to reach the families of La Habra Girls Softball Association! This year, we are offering a large field sign to our Platinum, Gold and Silver sponsorships. See next page for details and other sponsorship level opportunities. With four state of the art softball fields, LHGSA provides a great opportunity for you and/or your business. Your sponsorship will be seen and remembered throughout our community and to those who will be visiting our fields (Brea, Whittier, Fullerton, Hacienda Heights, and other cities).

LHGSA and your donations will help youth of our community to develop their athletic skills and learn good sportsmanship by playing softball. Given the high cost of equipment and supplies, our softball league would not be possible without the generosity of its sponsors.

Strong communities can only be built if they have a strong foundation of active, confident young girls who are offered healthy choices as they mature. Please help our local girls' softball league with your tax-deductible contribution. Your donation will make a difference in the lives of these young players and in the health of our community. Any size donation (cash or goods) is welcome.

We will be pleased to thank you by listing you as a supporting sponsor on our website. Please let us know your website address if you wish us to create a hyperlink.

Yes, I would like to help the LHGSA with my tax-deductible donation of:
\$ _____ Goods _____ (Estimated value) \$ _____
