

Dear Friend,

The La Habra Girls Softball(LHGSA)program was established over three decades ago. Since its origin it has an enrollment average of 350 players. The goal of our organization is to enhance the athletic talent of our teams, while stressing the importance of education, teamwork and community pride.

Our organization has set a goal to build two batting cages adjacent to La Bonita Park for our girls to improve their softball abilities and enhance the fields at La Bonita. Due to city budget constraints and rising costs much of the maintenance falls onto the player's families, community members, and volunteers of the LHGSA organization. La Habra Girls Softball strives to keep costs down to our families during these difficult economical times.

We would like to ask for your support in achieving the goals of La Habra Girls Softball Association. You can help by making a monetary donation to sponsor our league or donating an item that can be used in a raffle during our Opening Day Ceremonies. Those present include our city council along with parents, grandparents, and other members of the community that come to support us on this day. Last year we had over a thousand people come support this event. Any support is greatly appreciated. Our fundraising efforts will be used to offset some of the expenses incurred to reach our goal.

As a 501(c)(3) organization, we rely on the generosity of individuals like you to make our effort a success. We know we can count on your support. All contributions are tax deductible.

If you have any questions please feel free to ask.

Thank you for your time and consideration. We look forward to hearing from you.

Very truly yours,
